

Records Officer and Tournament Secretary's Report

October 2009

Outdoor Leagues

- Summer league – a convincing win against Rayleigh in our last match, with four of our team scoring 800 or more. It ensured that we finished third this year. An excellent achievement considering the disastrous opening match.
- Results for the Compound and Longbow leagues – no results yet received.

Barry Harper Memorial shoot – September 27th

Report please???

Indoor Leagues

- Potato store is inconveniently full of potatoes so we are waiting to shoot the first Andy Harris match. Now scheduled for 15th October with 29th October as a reserve date – as a last resort we'll use Cliff's factory, shooting in two sessions if necessary.
- Compound league have a "bye" this month so no scores need to be submitted.

Priory Bowmen at Tournaments

- **Ipswich International – Sept 18th & 19th**

Cliff and Jodie competed. Despite being totally outclassed by the British Olympic Squad **Jodie Barnes** managed to break her own county record for the FITA 70. Cliff had the pleasure of shooting next to Alison Williamson on the Saturday.

It seems that the format of the knockout stages has changed so my own club record for the "Olympic Round" may never now be broken – hee hee!
